~ Titus 3:5 ~

"He saved us, not because of righteous things we had done, but because of his mercy. He saved us through the washing of rebirth and renewal by the Holy Spirit.

*** East Richland Christian Earns Prestigious Governor's Award ***

Our school was recently awarded The Governor's Thomas Edison Award for Excellence in STEM (Science, Technology, Engineering, and Mathematics) Education and Student Research for the 2019-20 school year! **This prestigious distinction was awarded to only 37 schools in the entire state of Ohio**, and we are honored that we were chosen as one of those schools! In order to qualify for this award, a school must go through a rigorous application process and must meet several stringent criteria related to local Science Fairs, participation at District and State Science Fairs, and STEM education in the classroom.

The Ohio Academy of Science, in conjunction with The Office of the Governor and The Technology Division of The Ohio Development Services Agency, began this program in order to recognize Ohio schools who emphasize scientific learning for all PreK—12th grade students. Schools receiving the award must show that they stimulate scientific student research and technological design, and extend STEM opportunities beyond the normal classroom. Great job to all of our future scientists!

Absence/Tardy Policy Reminder

Any time your student is going to be absent or tardy, please remember to call the appropriate school office by 8:30am. If your student does miss school, policy states that a written excuse is required when the student returns to school. Students not providing a note to verify an absence within 3 school days will have the missed day marked as unexcused until the note is turned into the office. Thank you for your cooperation with this effort!

Enjoy Books are Coming!

The 2021 Enjoy® Coupon Books are due in soon! Once delivered, the coupon books may be purchased in the school offices for \$40 per book; checks should be made out to East Richland Christian Schools (ERCS). Money is due before books will be released. You can also order books through the company's website. Visit www.myenjoycouponbook.com and use our school's group code (OV456) to place an order. (See below for a list of participating businesses.)

Fundraising – Easy ways to help!

Fundraising is an important aspect of the East Richland Christian community as it helps fuel the success of our school. In addition to the opportunities within our larger fundraising events, there are several other ongoing ways to help our school!

Kroger Community Rewards – Did you know that you can raise money for our school simply through your purchases at Kroger? Through the *Kroger Community Rewards* program website, you are able to link your Kroger Plus Card to our school (account #IL502). From this valuable program, our school received approximately \$2,000 over the course of the 2019-20 school year!! Visit the Kroger Community Rewards website to get started! (www.krogercommunityrewards.com)

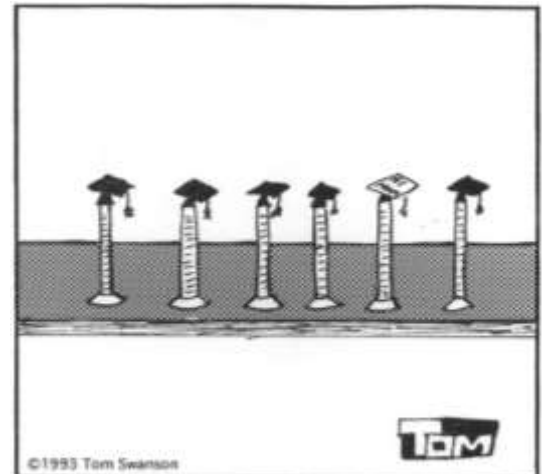

Cardboard/Paper Recycling – At the far end of the Ickes Family Life Center/High School parking lot are two large dumpsters. Paper, newspapers, and cardboard can be placed into the bins, which are emptied periodically. Our school receives approximately \$1,400 per school year from this recycling program! This is an easy and GREAT way to help out!

Box Tops for Education – We are collecting Box Tops again this year. You can collect them and hand them to your homeroom teacher. From there Heather Weaver will take care of them. The program will be changing in a few months to scanning receipts, but we will notify you when that change takes place. Thank you for your support!
