"And he who was seated on the throne said, 'Behold, I am making all things new.' Also he said, 'Write this down, for these words are trustworthy and true.'"

~ Revelation 21:5 (ESV)

Welcome Back!

After a nice long COVID and summer break, we are excited to be back in session with face-to-face instruction! Our teachers are looking forward to a productive and fun year, and our students all seem excited to be back in fellowship with one another. While things do look a little different this year with COVID accommodations, everyone in our school family has embraced the new requirements and the start of school has gone exceptionally well!

Tuition/FACTS

If you haven't yet set up your FACTS payment plan for this school year, please do so as soon as possible. It is imperative that all school families have a financial account, as most school and lunch charges are processed through this system. Should you need assistance with setup, please feel free to contact the school's Finance Office through the main Elementary line.

ERCS Masks and Spirit Apparel

ERCS masks and apparel are now on sale. If you need a handout or have any questions, please contact one of the school offices. Please consider supporting our seniors in their fundraising efforts as they look forward to their end-of-the-year mission trip! Deadline for the clothing sale is September 11.

Testing

Mrs. Kim Hundley, our Speech Pathologist, will be conducting yearly Speech & Hearing screenings for students in K, 1, 3, 5, 7, and 9th, and all students "new" to ERCS, beginning on Sept. 8th. If you do not want your child to participate in this free screening, you must notify the office prior to Sept. 8th, otherwise your child will participate in the screening.

Pizza!!

This Friday, students may purchase DeFelice Pizza items during lunchtime. Students will give their homeroom teacher their order first thing Friday morning. There will be pizza, pepperoni rolls, and salad to choose from. All lunch charges will be processed to your FACTS Family Account.

E-mail Communications

Please be mindful that many school communications are sent through e-mail. It is important that all parents regularly check your e-mail; should you wish to change the e-mail address on file, please contact the appropriate school office.

Athletics

Due to restrictions regarding COVID, our Athletics Program will look a little different this year. At this time, spectators outside of athletes' families are limited. While we can't all cheer on our Lions in person, please keep our volleyball and soccer athletes and coaches in prayer. They've all been working hard for several weeks to prepare for their upcoming seasons, and we wish them all a terrific, successful season! Go Lions!

Union Local Bus

Attention potential Union Local Bus riders - Union Local will begin running their regular bus routes beginning on Sept. 8. This year, however, all Mondays will be a trunk route only. For questions on the trunk route or to make arrangements for your child to begin riding the Union Local bus, contact the Union Local bus superintendent at 740-782-1183.
