Working Together, We Can Accomplish More (Excerpt from devotional by R. Warren)

God put us on Earth to do a certain work that only we can do. Ephesians says that God created us to do good works and that he planned in advance what we would spend our lives doing. However, he didn't plan for us to do that work alone. We need people to work with us.

In Ecclesiastes 4:9, God tells us, "Two people are better than one, because they get more done by working together." When you work as a team, you get so much more done. Plus, having good teammates alongside you is a whole lot more fun and less tiring! Picture it this way: Each of us is like a snowflake. On our own, we can't make a big difference. However, when one fragile snowflake sticks with a lot of other snowflakes, they can stop traffic. Like snowflakes, we can make a big difference if we work together, each one of us simply doing our small part.

As you walk through life, remember that you're not supposed to do everything on your own. You need other people to walk alongside you, and other people also need you. As you share the burden of your work with fellow Christians, you'll find that you actually accomplish more for the glory of God.

*** LIONS WORKING TOGETHER ***

Although we are currently instructing in a virtual world, the bonds that connect our school family remain strong as we look forward to sharing in fellowship again soon. As we look ahead to that time, it is also important that we continue to grow our school so that it can continue being a Light for many years to come. Fundraising has and will continue to be an important piece of that effort; when we all do our small part, we collectively make a huge difference to our school and ultimately the Kingdom! Here are some exciting ways to do some Christmas shopping while continuing to help our students and school! (Information was sent to your email as well, so check that communication for additional details.)

The following opportunities are ways to help individual classes with their fundraising goals. The funds raised through these means will go to the class account of your student. That money is then used for class-specific trips and other school-related activities. (*Exception is the Spirit Clothing – all funds go to the senior class). Please share these opportunities with your family and friends – because together, we are better!
