

ERCS TEAM RULES

School Year _____

1. ERCS has established a NO QUIT POLICY! Returning athletes to that specific sport has no trial period and must sign the No Quit Policy prior to starting practice. Athletes new to the sport must sign the No Quit Policy after the trial period for each specific sport.
2. All coaches, officials, spectators, teammates, and opposing players are to be treated with respect and courtesy. Remember that you are representing God, your school and your community.
3. Players are expected to attend every practice and game unless they are absent from school due to illness/injury. Missed practice(s) will have a direct effect on playing time.
4. School detentions that result in you arriving late or missing a practice will be considered an unexcused absence or tardy. This will have a direct effect on playing time.
5. Maintaining high scholastic standards is a must. Playing basketball, soccer, volleyball, football, cheering, and running track is a privilege that will be revoked, if good grades are not maintained.
