Emergency Contact

While we pray for an incident free and safe school year, in the case of an emergency, we will once again be utilizing the One Call Now system to relay information to parents. This will also be used to notify parents of weather-related delays or cancellations, and other important announcements or reminders throughout the school year. Returning parents, if you have a new/ different phone number from last year, please contact Sarah in the elementary school office to update your contact information in the One Call Now system. All new families' contact information was uploaded as part of their enrollment process.
