

Senior Internship Highlight

Two of our seniors, Noah Crumm (top right) and Chris Figaretti (bottom right), have been participating in internships this year during school hours. Chris has been interning at New Bridge Church in Wheeling, on Tuesday and Thursday afternoons each week. Chris assists the church with their video and social media content. Noah has been interning with Snap Communications, LLC., during designated periods in his schedule. Noah assists with internet connectivity, installing residential and commercial security systems, and network security, including managing fleets of devices. Both students are gaining valuable hands-on experience in their field of interest.

2024 Annual Faith-Walk Fundraiser

Our Faith Walk 2024 campaign is underway and we need your help! This needs to be our biggest fund-raising event of the year. This event is held at the Ohio Valley Mall. Our students, their parents, and their friends are encouraged to participate in the walk from 9-10 am. We will have Christian entertainment throughout the morning, and display students' work, such as Science Fair and Academic Fair boards. We distribute a booklet with advertisements from local businesses, churches, and parents. The date this year will be March 9, 2024. Pledge sheets for collecting sponsors for the walk have gone out and we need everyone's financial help to support this fundraiser.

The commandments, "You shall not commit adultery," "You shall not murder," "You shall not steal," "You shall not covet," and whatever other command there may be, are summed up in this one command: "Love your neighbor as yourself." Love does no harm to a neighbor. Therefore love is the fulfillment of the law.
